## BEACON MBC

With the help of church member, Bro Ray Franklin, who stayed with us the whole time, we have added 16 lights to the sanctuary, which included pulling new wire and re-routing several junctions. We were also invited to present our ministry and preach Sunday morning. Thank you Beacon MBC for this opportunity!

## CAMP GLENWOOD

At Camp Glenwood, in Folsom La, Hurricane Francine damaged the camp director's house. We tarped one side of the house and this will stop further damage for the moment. They will need a new roof as all of the shingles are deteriorated. If you would like to help, please contact Justin Wright-Camp Director. There was no insurance.

## CRAZY FAITH DESIGNS

Chad Helton has been very instrumental in designing all our webpages. He takes care of all of our social media and has filled in for Maddie to help with our reports and in constantly keeping us with a fresh look. His ministry is just now starting so if you have any designs needs, reach out to him.

During our time at Emmanuel MBC in Greenville, Tx, we were able to look at several projects that were needed to be repaired. We were also able to present the ministry as well as the word of God. One family has approached us needing help due to disability.

At Pleasant Hill MBC in Overton, Tx, we were able to present the ministry and God's word. We will be returning in October for their Faith Promise Mission Conference.
