We had the opportunity this month to serve at Sunset MBC in Marshall, TX by renovating and their daycare center so they may be able to serve more families and their children. We began this ongoing project by removing walls and replacing doors.

On June 16 there was a massive storm that came through Marshall, TX. This is one of the families we were able to aid during this difficult time. This is the home of Darlene Bounds; a tree fell on their home. We were able to show up immediately and began to remove the tree and aid in the devastation with the help of the men from the Foxhole ministry.

We were able to help Jaime Rocha this month by refreshing his field by clipping it. We were also able to help begin the process of the repair of his sewer.

We had the pleasure of travelling to Crab Orchard, KY to Liberty Baptist Church to present ourselves. We there found that they had voted months before we arrived to support this ministry! We were met with fellowship, love, and new friendships! We are so thankful for this experience!

We also had the opportunity to help out with a wiring job and added an outlet for one of our local State Troopers. We were so thankful to do this project for someone who keeps us safe every day.

*We are currently trying to purchase a small, enclosed cargo trailer to be used on smaller projects and times when we aid the ABA Disaster response team. Any donations would be greatly appreciated.
Please mark any donations to this need as Trailer Fund.
Thank You!*

Please continue to pray for this ministry as we strive to show the love of Christ through our labor.
