We are so incredibly thankful for Paul T Lamb for allowing us to spend the night at the Macedonian Mission House in Kentucky during our time there. We had the privilege of attending an ordination service and corporate worship with him as well. We cannot express our gratitude enough for his hospitality and friendship!

We assisted Sulphur Springs Missionary Baptist Church in Mt Enterprise, TX by installing 1,600 sq ft. of flooring in their fellowship hall. We will be returning to complete both bathrooms and place quarter round strips to complete the job. We are so thankful for our Brothers and Sisters in this local church. We were able to get this portion done before their Revival that took place a week after!

This month we wanted to specially feature our Pastor and dear friends Bro. Pete and Lisa Underwood. Even in the short amount of time the Underwood's have been leading our home church they have never wavered in their support of this ministry. We are incredibly thankful for them and their leadership not only for this ministry but to Landmark MBC Mount Enterprise, TX! Thank you, Pete and Lisa, for everything y'all do, we couldn't do it without y'all!

This month we will also be attending the Louisiana ABA State Meeting in Minden, LA at Calvary Baptist Church, and the Texas ABA State Meeting in San Antonio, TX. We are excited to be able to attend these meetings and share what the Lord is doing through this ministry and our hearts behind it!
