

COOK TRAILER

Hallelujah! The floor is laid, the fridge boxes are checked off, and the fridges are in place and secure. Just a smidge more work, and the REACH food trailer will be up and running again. The cooking trailer got a fancy new floor and seems good to go.

Big shoutout to Todd Ward and the crew for getting all the equipment set up, laying down floor coverings, and adding a splash of paint.

Let's send some prayers up high for a sprinkle of blessings on this awesome "Reach" ministry! 🙏

Renovation Project at Nevill's Chapel

- Assigned to raise an awning between buildings at Nevill's Chapel, Mt. Pleasant, TX.
- Assisting the Macedonian Mission Service group on a renovation project.

Team and Relationships

- Working with Komer West, a friend met during a previous project at Hughes Springs MBC.
- Komer, his wife Kelly, and daughter Jasmine are valued friends; Komer and Jasmine are on their first mission build for Macedonian Mission Services.

Project and Gratitude

- Serving and helping Macedonian Mission Services in their efforts to support Nevill's Chapel.
- Special thanks to Brother Kenneth Wilson of Landmark MBC for providing a mini excavator.

I want to thank Eddie Turner (dad) and Randy Sprague for helping in Andrews, Texas, where we came along side The Macedonian Mission Service Group and did a spray foam job at Brook Besor Baptist Church where Brother Jerry Bailey is pastor. We helped Paul Lamb and Joshua Doremus by dragging hoses, erecting scaffolding and moving scaffolding as Josh sprayed the roof on inside to create insulation.

P.S.- Hey Dad, Can I have a piece?
