*We had the pleasure to be able to begin the conversation with Pine Grove Baptist Church on how we can serve them best! We will be repairing and painting the roof with a fiber/asphalt infused paint. By doing this it will reflect the sun and fill the holes to prevent water damage.*

*We have been in DeKalb, TX at Austin Chapel actively assisting the Macedonian Builders on this new youth building project! During this project the Lord has conjured up a spirit of thanksgiving in all our hearts. We have been volunteering with people all over the USA as well as some of our brothers and sisters that we have served with previously all for the Kingdom!*

*While we are assisting with the Macedonian Builders, we have been able to set up at the work camp in DeKalb, TX. This has not only been blessing to be able to have resources to assist for a long-term project, but it has also opened up so many doors for fellowship!*
