We were contacted by Central Drive MBC to assist with an electrical problem with their baptistry. We were able to meet this need and resolve the issue! They have multiple baptisms planned out, so we are so thankful that we were able to serve them in this way.

This is Mrs. Jeanna Stallin, she contacted us this month needing our help with some plumbing issues. The shower in her home would not stop running. While we were not able to repair the issue, we did turn the water off and she will be getting a new one which we will be installing.

We will be beginning the work on Pine Grove Baptist Church assisting with their roof this upcoming week depending on manpower. We are so thankful that the Lord has given us the opportunity to serve this church in this way.

We had the opportunity to dig a septic tank hole for one of the members of our sponsoring church.

We are also actively looking into putting in a accessible shower for one of the members of our local community.

Upcoming Next Month

We have been given the opportunity to aid the Macedonian Builders again in mid-September in Louisiana. While we prepare for this please be praying over this project that lives will be changed and hearts will be opened!

*We have purchased the small cargo trailer that we will be able to use to aid the ABA Disaster response as well as smaller projects we have the opportunity to help out with. Though we are requesting donations to help pay off this trailer. Please mark any donations to this need as Trailer Fund.
Thank You!*

Please continue to pray for this ministry as we strive to show the love of Christ through our labor.

Please consider being a monthly supporter of this ministry.
