*All Glory be to God! During our time in Florida, we were able to work very closely with Bro. Ron, Joshua Lamb, and Ethan Whitt. During this we were able to meet Ms. Debbie Hall, after some conversation she became aware of her need for Christ and accepted Christ as her Savior! Amen and Amen!*

*We had the privilege of travelling to Madison, FL to help with hurricane relief. We were hosted at Landmark Missionary Baptist church in Madison, FL during these efforts. There was much devastation, and in this we were able to remove trees and power lines from homes in the area as well in Perry, FL.*

*We continue in the efforts of assisting Pine Grove Baptist Church in Mount Enterprise, TX with their building repairs. This month we have replaced 4 pieces of tin on their roof. We look forward to continuing our work at this local church!*

*This month we wanted to give a special thank you to Cindy Turner. She is with Tim every single step of the way, whether its painting, grout work, or hauling a trailer across the nation she is always putting everything she has into this ministry alongside Tim.*

*We had the opportunity to help our dear friends JD and Tamara Estes in Snowcreek, TX. We spent 5 days pouring and spreading concrete on this land.*

*We also wanted to give a very special thank you to the Cone Family for hosting us, feeding us an amazing dinner, and assisting with providing a trailer during our time in Florida!*

*We have purchased the small cargo trailer that we will be able to use to aid the ABA Disaster response as well as smaller projects we have the opportunity to help out with. Though we are requesting donations to help pay off this trailer. Please mark any donations to this need as Trailer Fund.  
Thank You!*
